Built on a Feature Rich Core, Balance with Beautiful Splendour.

Make use of the many and varied integrated Extensions with Infuse such as RokStories, RokTabs and RokAjaxSearch.

Infuse is packed with features such as the SEO Optimised Layout, the Fusion Menu and the many integrated Extensions. The theme places Design, Art & Style at its centre, but this is not to the detriment of its functionality. Get ready to play with this inspirational template. [Read More...](#)
